

Superior Windows and Roofing

178 Brady St.

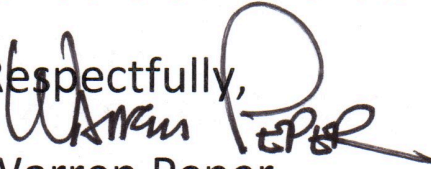

Charleston, SC 29492

To whom it may concern:

I'd just like to say how happy I am with the work recently completed on my house by the folks at Superior Windows and Roofing. Everything that was promised was done in a timely and professional manner. Workers arrived promptly and worked on my roof diligently until the job was complete.

I was also impressed by the attention given to cleaning-up. Old roofing nails were gathered and shrubbery was protected from the old shingles.

All in all, the company and its employees delivered on what they said they'd do, and that's not always the case these days. I have already recommended this company to home owners in my neighborhood and would do so for others in the future.

Respectfully,
